**Research interests:** nursing, critical and intensive care nursing, emergency nursing, qualitative research, quantitative research, meta-analysis and systematic review

### **1- Educational history**

Education degree	Field of study	university	year
BSC	nursing	Kurdistan University of Medical Sciences	2003
MSc	Critical care nursing	Kermanshah University of Medical Sciences	2011

PhD	Nursing education	Shahid Beheshti University of Medical Sciences	2016
-----	-------------------	--	------

## **2- Academic achievements**

- The first rank of MSc exam in 2009
- The first rank of BSC period, during 2000-2003
- The second rank of MSc period in 2011
- Top researcher of Kermanshah University of medical sciences in 2015 and 2018
- The head manager of nursing department in nursing school of Kermanshah-Iran 2016 until 2018
- The head of student research committee of Kermanshah university of medical sciences, Kermanshah- Iran, from 2017 until now
- The researcher of more than 100 research projects, following link:  
[http://research.kums.ac.ir/webdocument/load.action?webdocument\\_code=8000&masterCode=3002995](http://research.kums.ac.ir/webdocument/load.action?webdocument_code=8000&masterCode=3002995)
- Supervisor and advisor of more than 15 MSc and PhD dissertation

## **3- Job history**

- Working in emergency ward of AL-Zahra hospital of Gilane Gharb as clinical nurse for 2 years
- Working in medical-surgical ward of Imam Khomini hospital of Isalmabad Gharb for 1 year
- Working in emergency unit of Abolfazl (AS) hospital of Ghasreshirin as clinical nurse and supervisor for 9 years

- Working in emergency and critical care department of nursing and midwifery school of Kermanshah as the faculty and nursing and head of the department
- Clinical work experience for 12 years in emergency, medical surgical and intensive care units

#### **4- Reviewer activities**

- Nursing education journal (ISC)
- Journal of Clinical and Diagnostic Research (PubMed)
- BMC medical education (ISI)
- Plos one
- BMC nursing
- Patient preference and adherence

#### **5- Published articles**
